At its core, Her Allies: A Practical Toolkit to Help Men Lead Through Advocacy offers men the strategies they need to become powerful advocates for gender equality. But, at its heart, this book is an invitation to all men who are willing to take that bold first step and transform good intention into meaningful action. Those men with the courage to read on will embark on a progressive journey that ends only when women realize the same opportunities, recognition, and respect that men already command. Her allies aren 't committed to this journey for personal gain; these selfless pioneers know that their children and grandchildren will reap the rewards of their efforts for generations to come.
