Their founding principles are power, reliability and durability. Many of the petrol lawnmowers we sell here at Gardenlines are driven by a Briggs and Stratton engine. The 650E is an E SERIES™ engine. This means it has reduced exhaust emissions and surpasses the European Exhaust Emissions standards by at least 25%. The E SERIES Initiative also ensures easier starting, improved performance and an enhanced customer experience. Key Features

Owner's Manual CRAFTSMAN

The Briggs and Stratton 675 Series is the type of lawnmower you call in when others can ' t get the job done. To speak in mob terms, the weaker engines would be Ray Liotta, while the 675 Series would be Joe Pesci. He ' ll smack the mouthy weeds on the head, throw them in the trunk and they ' ll never be seen again.
