Lena Black has done it AGAIN!!! After I finished "A Dominant Man" (the first time), I wasn't sure I'd be able to endure the wait for Damian and Elle, round 2. Let me say, it was well worth the wait. As good as "A Dominant Man" was, "A Dominant Fallen" is even better.

tormented by his inner demons, shattered past, and need to control. When Elle falls into Hunt's life, their need to be possessed by the other takes hold, beginning the young couple's roller coaster affair. Damian becomes obsessed by Elle, his need to dominate her, and his ability to give her what she deserves...Possibilities. When their pasts decide to make themselves present, Elle starts to wonder if she could ever truly give in to such...A DOMINANT MAN

There were no surprises in Gatlin County. We were pretty much the epicenter of the middle of nowhere. At least, that's what I thought. Turns out, I couldn't have been more wrong. There was a curse. There was a girl. And in the end, there was a grave. Lena Duchannes is unlike anyone the small Southern town of Gatlin has ever seen, and she's struggling to conceal her power and a curse that has haunted her family for generations. But even within the overgrown gardens, murky swamps and crumbling graveyards of the forgotten South, a secret cannot stay hidden forever. Ethan Wate, who has been counting the months until he can escape from Gatlin, is haunted by dreams of a beautiful girl he has never met. When Lena moves into the town's oldest and most infamous plantation, Ethan is inexplicably drawn to her and determined to uncover the connection between them. In a town with no surprises, one secret could change everything.

A TikTok sensation, this rom-com about a young woman who agrees to fake date a colleague and bring him to her sister's wedding has "everything you could want in a romance" (Helen Hoang, New York Times bestselling author). Catalina Martín desperately needs a date to her sister's wedding. Especially since her little white lie about her American boyfriend has spiralled out of control. Now everyone she knows—including her ex and his fiancée—will be there and eager to meet him. She only has four weeks to find someone willing to cross the Atlantic and aid in her deception. New York to Spain is no short flight and her raucous family won't be easy to fool. Enter Aaron Blackford—her tall, handsome, condescending colleague—who surprisingly offers to step in. She'd rather refuse; never has there been a more aggravating, blood-boiling, and insufferable man. But Catalina is desperate, and as the wedding draws nearer, Aaron looks like her best option. And she begins to realize he might not be as terrible in the real world as he is at the office.

Rhiannon Windmorr is a powerhouse in the ad industry, and when Gabriel Stone, CEO of the world-renowned Chauvin line of watches, decides he wants to make use of her advertising prowess, he gets what he wants. But when he decides he also wants her in his bed, will Rhiannon have the strength to fight back...or will she succumb to the dominating man who wants her mind, body, and soul?

Once unmasked, can beauty love the beast!... My name is Lena Seagull. I should still be in school, hanging out with friends, meeting boys, falling in love-just like you. But on my eighteenth birthday my father sold me. Now, those are yesterday's dreams. My home is now a remote castle. And the man who owns me? I have never seen him. Guy Hawke keeps his face hidden under a mask. At first, I knew only fear, but now his voice and touch make me unashamedly want him. Each night, his hired help blindfolds me, and takes me to his room. He whispers that I am beautiful and we have wild, torrid sex. When I awaken he is always gone. He and his castle hold dark secrets that I must unravel, but what he fears most-being unmasked-is

my deepest desire. Will either of us survive the consequences of my desire?

WARNING: Dark, dirty, forbidden, and hot as hell. Marine turned billionaire arms dealer Jackson Hawke has one goal--to have the woman who ruined his life at his mercy. He'll see her on her knees, even if he has to pay for the privilege. Six years ago, Hannah buried her twin sister. Now, with her family in jeopardy, Hannah must sell herself to a wealthy stranger in order to save their home. She expects to be scarred by the experience. She doesn't expect to pay penance for her sister's sins or to meet a man who brings her body savagely to life. Now Hannah must choose--confess to Jackson that she's not the twin he's looking for and forfeit the money she needs to survive, or submit to a man whose dark domination may be the end of them both. \*\*CLIFFHANGER ALERT: Dark Domination ends in a cliffhanger. NEW YORK TIMES BESTSELLER □ With the bonus story "Busted" Karin Slaughter's novels featuring detective Will Trent are utterly riveting and masterfully drawn. Unseen pits detectives, lovers, and enemies against one another in an unforgettable standoff between righteous courage and deepest evil. Will Trent is a Georgia Bureau of Investigation agent whose latest case has him posing as Bill Black, a scary ex-con who rides a motorcycle around Macon, Georgia, and trails an air of violence wherever he goes. The cover has worked and he has caught the eye of a wiry little drug dealer who thinks he might be a useful ally. But undercover and cut off from the support of the woman he loves, Sara Linton, Will finds his demons catching up with him. Although she has no idea where Will has gone, or why, Sara herself has come to Macon because of a cop shooting: Her stepson, Jared, has been gunned down in his own home. Sara holds Lena, Jared's wife, responsible: Lena, a detective, has been a magnet for trouble all her life, and Jared's shooting is not the first time someone Sara loved got caught in the crossfire. Furious, Sara finds herself involved in the same case that Will is working without even knowing it, and soon danger is swirling around both of them. In a novel of fierce intensity, shifting allegiances, and shocking twists, two investigations collide with a conspiracy straddling both sides of the law. Karin Slaughter's latest is both an electrifying thriller and a piercing study of human nature: what happens when good people face the unseen evils in their lives. BONUS: This edition includes an excerpt from Karin Slaughter's Cop Town. Praise for Unseen "Slaughter's most powerful book to date . . . No one writes like Slaughter. . . . Her words fairly growl on paper but yet her descriptions of relationships are tear inducing. This may make her an anomaly but she is the best damn anomaly writing books today. Make sure you read Unseen."—The Huffington Post "Compelling . . . [Slaughter] balances a complex plot with believable twists while sensitively exploring her realistic characters' emotions and problems."—South Florida Sun-Sentinel "An emotional roller coaster ride . . . fast-paced and edge-of-your seat . . . Slaughter is brilliant."—Wichita Falls Times Record News "Superb and emotionally wrenching . . . The despicable nature of the crimes being investigated only serves to enhance Will's innate goodness and

## Get Free A Dominant Fallen 2 Lena Black

humanity. Current series fans will be delighted, and newcomers to Slaughter's work will find a new obsession."—Library Journal "Slaughter plunges readers into the action from the get-go with her electrifying ability to write suspenseful, riveting confrontations between cops and criminals, all while deepening the backstories of her longtime series leads. Another intense read, on multiple levels, from the ever-reliable Slaughter."—Booklist "Tense and densely plotted . . . The twisted plot and shocking reveals remind readers why Slaughter remains a dominant voice in crime fiction."—Publishers Weekly

A young girl sets off on a journey of self-discovery in this "richly atmospheric" tale blending steampunk, adventure, and gothic romance (Kirkus Reviews). With her noticeably large hands and feet, Lena Mattacascar is undoubtedly different. Secretly, she's wondered if she might actually be Peculiar, and if her father—who left when she was only five years old—may have been Peculiar too. On her eighteenth birthday, Lena receives a letter that inspires her to leave the safety of the City and search for her father in the northern wilderness of Scree—a place inhabited by people whose own unusual characteristics make them unacceptable to modern society. Her journey leads to romance, danger, and a darkness she's never imagined. For in the wilds of Scree, she must confront her deepest fears . . . "Readers graduating from the stories of C.S. Lewis and Edward Eager will be right at home—and cat lovers will adore Jimson's employer's pet, Mrs. Mumbles. McQuerry's extensive world-building leaves open the possibility of future installments." —Publishers Weekly

Gabrielle Hyde and Damian Hunt were ready to create a life together. But, as determined as they were to build a future, the demons they fought to overcome were just as determined to destroy it. As Hunt struggled to find the strength to trust Elle with his past, it abruptly collided with the present, forcing Elle to make the decision to walk away from the love of her life and, possibly, her only chance at true happiness. As the two attempt to find their footing, a dark secret larger than either Damian or Elle could have imagined lurks in the shadows, waiting to make itself known. . . . Will their love survive? Will Elle's desire to protect Damian from their shattered pasts tear them apart, or will it make them stronger? Will Damian find his way back to his heart, or will he remain. . . . A Dominant Fallen

In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.
