A Is For Abstinence V

A is for Abstinence is the sequel to V is for Virgin and is told completely from Kyle's point of view. If you have not read V is for Virgin you should definitely read it first. The back-story is necessary to full appreciate this book. Personally I loved Val & Kyle so was way excited to read the continuation of their story. I was not disappointed.

A is for Abstinence (V is for Virgin #2) by Kelly Oram

While V is for Virgin was a young adult book, A is for Abstinence is a new adult romance and was intended for a more mature audience. Not only is this story told from the perspective of a notorious bad boy, the characters have grown from the first book and are older now.

Something people like me do for reasons not always religious. I'm abstinent because I don't wanna be that girl who got pregnant when she was 15 and now has a McJob.

Urban Dictionary: Abstinence

Demanding abstinence too soon may just end up driving away a patient who is at the brink of dealing with addiction more directly. When a patient expresses a desire to moderate drinking, it can alert the clinician to a teachable moment. Patients who try to limit drinking for a while and find they are unable to do so may then realize that they ...

A Is For Abstinence V Virgin 2 Kelly Oram

Abstinence is a HIV prevention strategy promoted primarily for adolescents and entails either delaying sexual initiation or practicing “secondary abstinence,” which is a prolonged period without sexual activity amongst those who have previously been sexually active [4].

Six-time Grammy Award-winning musician Kyle Hamilton has it all--money, fame, talent, good looks, and a job he loves. His only regret in life: walking away from a certain notorious virgin because he was too prideful, stubborn, and even afraid to give her the only thing she asked of him--his abstinence. Four years and a broken heart later, Kyle realizes that sex isn't everything, and he suddenly can't stop thinking about the girl that got away. Virgin Val Jensen got under his skin like no one else ever has. He wasn't ready for her then, but things are different now. He's grown up, he's learned a few things, and he's finally figured out exactly what he wants, or, rather, who he wants. Kyle Hamilton wants a do-over, and this time he's willing to do--or not do--whatever it takes.

Truly comprehensive in scope - and arranged in A-Z format for quick access - this eight-volume set is a one-source reference for anyone researching the historical and contemporary details of more than 170 major issues confronting American society. Entries cover the full range of hotly contested social issues - including economic, scientific, environmental, criminal, legal, security, health, and media topics. Each entry discusses the historical origins of the problem or debate; past means used to deal with the issue; the current controversy surrounding the issue from all perspectives; and the near-term and future implications for society. In addition, each entry includes a chronology, a bibliography, and a directory of Internet resources for further research as well as primary documents and statistical tables highlighting the debates.

“Some people enjoy it.” That was all Ruth had said. Even now, when she'd had months to come to terms with the fallout from this remark, she still marveled at the power of those four words, which she'd uttered without premeditation and without any sense of treading on forbidden ground. (p. 11) Thanks to an off-hand remark made during a class discussion of oral sex, sex-ed teacher Ruth Ramsey finds herself a target of the Christian evangelicals who are increasingly influencing the

schoolboard of suburban Stonewood Heights. Forced to attend remedial sessions with a smug “ Virginité Consultant, ” Ruth is isolated and alone, caught in the polarized red-versus-blue landscape of present-day American suburbia. It ’ s like “ living in a horror movie, ” she thinks, “ The Invasion of the Body Snatchers, or something. You never knew who they were going to get to next. ” Divorced and sharing custody of her daughters with her ex, and sometimes attempting a futile date, Ruth spends many a lonely weekend wondering how her bleak existence came to be. Then one morning at her daughter ’ s soccer game, Ruth meets Tim Mason, a cute forty-something volunteer coach. Ruth feels an instant attraction to Tim, but when he draws the girls together for a spontaneous prayer circle after the game, she angrily yanks her daughter away from the proceedings, placing herself once again in the sights of the evangelicals. But Ruth has another unexpected problem: she can ’ t seem to get a handle on Tim, her supposed adversary, who keeps appearing at her front door. A recovering addict whose bottoming-out cost him his home and his marriage, Tim found his way to the Tabernacle of the Gospel Truth through the intervention of Pastor Dennis, the charismatic preacher who put Tim ’ s shattered life back together in an approximation of happiness. Thanks to Pastor Dennis, Tim is now married to Carrie, a fellow Tabernacler who is attractive and attentive, if robotic. He plays guitar at the weekly prayer sessions in a sanitized reenactment of his days in a Grateful Dead cover band. He holds a respectable if unfulfilling job as a loan officer, well aware of the irony of the post for a man with his history. He is grateful for the help he has received from his church community and Pastor Dennis. But he can ’ t shake the yearning for something more, and a nagging attraction to that troublesome sex-ed teacher.... With *The Abstinence Teacher*, Tom Perrotta wades into the murky waters of contemporary American suburbia, fully deploying his proven gift for describing the panic lurking beneath its seemingly placid surface. Already widely known to book and movie audiences for his scathing satire mixed with remarkable compassion in works including *Election* and *Little Children* (both adapted for film, *Little Children* garnering Perrotta an Oscar nomination), this novel once again proves, as declared by the Los Angeles Times, “ Perrotta ’ s balance of humor and pathos has no equal. ”

Hockey-obsessed tomboy Eleanor Westley has never been the object of a guy's affection before. So when the hottest boy she's ever seen moves in across the street and starts treating her like she's the center of his universe, naturally she's going to be a little skeptical. But everything starts to make sense when girls who look just like Ellie start dying all around the city. Obviously the new guy is the killer, and of course he only likes her because he wants to slice her into tiny pieces. Right? The more Ellie gets to know Seth the more she's convinced he's a psychopathic killer. Problem is, he's the sweetest psychopathic killer she's ever met. Not to mention he's brutally hot. No matter how hard she tries, she can't help but fall for him. Will Ellie find true love, or will her summer of firsts turn out to be a summer of lasts?
