Mountain States is a book you'll want to keep close at all times. A durable book meant to be consulted in the field and on the mountain, it starts off with a map of the region, and then launches into an ...

~~National Audubon Society Field Guide to the Rocky Mountain ...~~

Modern field guides are rooted in the paintings of John James Audubon and other early naturalists who worked to identify and record the breadth of American birdlife. Those early illustrations laid the groundwork for our modern incantation: thick books filled with images of birds in their varied plumages, accompanied by range maps and text.
