From the bestselling author of *Eat That Frog!*, a motivational guide to using the Psychology of Achievement to banish negative thoughts and behaviors and unlock your full potential for success. Letting go of negative thoughts is one of the most important steps to living a successful, fulfilling life, but also often the most difficult. In this practical, research-based guide, bestselling authors Brian Tracy and psychotherapist Christina Stein present their "Psychology of Achievement" program to help you identify and overcome detrimental patterns and ideas preventing you from achieving your goals or feeling happy and satisfied in your life. Whether this negativity stems from a past relationship that ended badly, a childhood trauma, a business or career failure, or general insecurity, Tracy and Stein help you recognize how conscious--and more oftentimes unconscious--negativity affects your personality, your outlook and your decisions. Along the way, they show you how to regain control of your thoughts, feelings, and actions, turn negatives into positives, and learn to accept unexpected life changes without falling back into old negative patterns. Essential reading for anyone feeling stuck, *BELIEVE IT TO ACHIEVE IT* offers an important roadmap to conquer negativity and embrace the power of positive thinking to live a happy, successful life.

The Wall Street Journal business bestseller with over 50,000 copies sold! The true secret of high achievers is that they know how to find their "focal point" - the one thing they should do, at any given moment, to get the best possible results in each area of their lives. In *Focal Point*, Tracy brings together the very best ideas on personal management into a simple, easy-to-use plan. *Focal Point* helps readers analyze their lives in seven key areas and shows them how to develop focused goals and plans in each. This best-selling guide provides timeless truths that have been discovered by the most effective people throughout the ages, answering questions like: * How can I get control of my time and my life? * How can I achieve maximum career success and still balance my personal life? * How can I accelerate the achievement of all my goals? *Focal Point* shows readers how to develop absolute clarity about what they want, and how they can achieve supreme satisfaction, both personally and professionally.

Every idea in this book is focused on increasing your overall levels of productivity, performance, and output and on making you more valuable in whatever you do. You can apply many of these ideas to your personal life as well. Each of these twenty-one methods and techniques is complete in itself. All are necessary. One strategy might be effective in one situation and another might apply to another task. All together, these twenty-one ideas represent a smorgasbord of personal effectiveness techniques that you can use at any time, in any order or sequence that makes sense to you at the moment. The key to success is action. These principles work to bring about fast, predictable improvements in performance and results. The faster you learn and apply them, the faster you will move ahead in your career - guaranteed! There will be no limit to what you can accomplish when you learn how to *Eat That Frog!*

Your aim in life should be to achieve all of the wonderful things that are possible for you. There is no reason for you not to be earning twice as much as you are today, or even five or ten times as much. Your potential is practically limitless, if you could just learn how to utilize it. Clarity, Focus, and Concentration: Three strong, simple attributes needed to hone in your potential and hit the bull's eye! And just as you can develop your physical muscles through hard work and concentration, you can develop your mental muscles through continuous repetition. You have the ability right now to achieve more than you ever have before. *Bull's Eye* will teach you how to unleash your powers for success and accomplish more in the next few months than many people do in a lifetime.

Great Little Book on Personal Achievement helps you gain wealth, attain a fulfilling personal life and meet high career goals. Personality development is a process of building and maintaining high levels of self esteem. You can change your performance by changing the way you think about yourself.
