~~The Cessna 172: Clarke, Bill: 9780830624126: Amazon.com: Books~~

~~This book covers the 172 model years 1977-1985, and talks about how production ended in 1985 with the model P. The 172 lives on, of course, and if you happen to be flying one that's less than 20 years old this book misses the mark. In trying to cover so many models, it is necessarily vague and non-committal on many items.~~
