history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and

A Stanford psychologist offers a bold new understanding of empathy, and shows how we can expand our circle of care, even in these divisive times Empathy is in short supply. Isolation and tribalism are rampant. We struggle to understand people who aren't like us, but find it easy to hate them. Studies show that we are less caring than we were even thirty years ago. In 2006, Barack Obama said that the United States is suffering from

an "empathy deficit." Since then, things only seem to have gotten worse. It doesn't have to be this way. In this groundbreaking book, Jamil Zaki argues that empathy is not a fixed trait--something we're born with or not--but rather a skill that we can all strengthen through effort. Drawing on both classic and cutting-edge research, including experiments from his own lab, Zaki shows how we can harness this new mindset to overcome toxic cultural divisions. He also tells the stories of people who are living these principles--fighting for kindness in the most difficult of circumstances. We meet a former

neo-Nazi who is now helping extract people from hate groups, ex-prisoners discussing novels with the judge who sentenced them, Washington police officers changing their culture to decrease violence among their ranks, and NICU nurses fine-tuning their empathy so that they don't succumb to burnout. Written with clarity and passion, *The War for Kindness* is an inspiring call to action. The future may depend on whether we accept the challenge.

"In a country teetering on the brink of civil war, two young people meet--sensual, fiercely independent Nadia and gentle, restrained Saeed. They embark on a furtive love affair, thrust into premature intimacy by the unrest roiling their city. When it explodes, turning familiar streets into a patchwork of checkpoints and bomb blasts, they begin to hear whispers about doors--doors that can whisk people far away, if perilously and for a price. As violence and the threat of violence escalate, Nadia and Saeed decide that they no longer have a choice. Leaving their homeland and their old lives behind,

Jonathan Safran Foer emerged as one of the most original writers of his generation with his best-selling debut novel, *Everything Is Illuminated*. Now, with humor, tenderness, and awe, he confronts the traumas of our recent history. What he discovers is solace in that most human quality, imagination. pacifist, correspondent with Stephen Hawking and Ringo Starr. He is nine years old. And he is on an urgent, secret search through the five boroughs of New York. His mission is to find the lock that fits a mysterious key belonging to his father, who died in the World Trade Center on 9/11. An inspired innocent, Oskar is alternately endearing, exasperating, and hilarious as he careens from Central Park to Coney Island to Harlem on his search. Along the way he is always dreaming up inventions to keep those he loves safe from harm. What about a birdseed shirt to let you fly away? What if you could

As Oskar roams New York, he encounters a motley assortment of humanity who are all survivors in their own way. He befriends a 103-year-old war reporter, a tour guide who never leaves the Empire State Building, and lovers enraptured or scorned. Ultimately, Oskar ends his journey where it began, at his father's grave. But now he is accompanied by the silent stranger who has been renting the spare room of his grandmother's apartment.
