The Course of Love by Alain De Botton - Books-A-Million

In his first novel, *On Love*, philosopher Alain de Botton catalogued the process of falling in and out of love, putting his own unique and perceptive spin on the modern day love story. Now, over two decades later, de Botton finds himself deeply fascinated by another facet of love, one that literature and films too often neglect: Having fallen in love and committed ourselves to another person, what is it like to have been married awhile?
