The inquiry-based lessons and related extension activities can serve as the framework for professional development collaborations or as a supplement to conventional preservice science teaching methods courses.

Students get insight into themselves while reading about this group of teenagers' journey to self-discovery. Incorporate a variety of challenging questions dealing with opinions of the reader as well as asking for evidence from the text to support those opinions. Come up with reasons why most people tend to be reluctant to speak their mind. Identify what motivated Pastor Don to give free guitar lessons. Students find quotations that may appear next to their picture in a yearbook and reflect on how it applies to them. Write complete sentences using vocabulary words found in the text. Design an information card for the Rhododendron plant. List the main events from the novel in the order in which they happened on a Sequence Chart. Aligned to your State Standards, additional crossword, word search, comprehension quiz and answer key are also included. About the Novel: Criss Cross is a Newbery Medal-winning story about several teenage characters living in the small town of Seldem in the 1970s. The story intersects between several characters, each with their own issues and each one trying to discover who they are as individuals. There is the shy, introspective Debbie; the multitalented Lenny; the nerdy, guitar-playing Hector; and the brainy, all-together sister of Hector, Rowanne. Criss Cross is a story that deals with first love, the importance of communication among friends and family, self-identity, and coming-of-age. Each character is portrayed in a refreshingly unique and poignant manner, creating a novel that is both humorous and thought-provoking throughout.

Teaching English as a second or foreign language is full of challenges: How do you hold students' attention? How do you ensure that they get enough practice to really learn? Teaching teenagers presents unique challenges. Teachers are often looking for age- and level-appropriate activities to engage teens' interest while providing meaningful practice. This book presents ideas and techniques appropriate for teenagers, divided into sections for Icebreakers / Warm-ups, Vocabulary Revision, Grammar, Reading, Writing, Speaking, and Listening. Several of the activities are illustrated with photographs from the instructor's own classroom. The Fifty Ways to Teach series gives you a variety of drills, games, techniques, methods, and ideas to help your students learn English. Many require little to no preparation or special materials. The ideas can be used with any textbook, or without a textbook at all. These short, practical guides aim to make your teaching life easier, and your students' lives more rewarding and successful.

There are times when hearing a familiar story -- even a story about how your mother fell and broke her arm when she was a little girl -- can be comforting. And so it was for Andy, and for his cat, Frank. Because the important thing is that injuries heal. When they have healed, they become stories -- and sometimes a story with a happy ending is exactly what is needed. If you are looking for the perfect book about love and families and intergenerational support (to say nothing of cats), look no further.

Innovations of Knowledge Management highlights the broad range of topics that fall under the term

"knowledge management," thus emphasizing the large role knowledge management plays in organizations. As a compilation of some of the most recent work in the field, the included chapters truly present innovations in how organizations can and should manage their knowledge.
