"A tale of the reversal of fate, fortune and gender." Wyatt was always jealous of his sister, Bailee. Wyatt's ex-girlfriend Ashleigh was jealous of her popularity as well. When Ashleigh decides she wants to teach Bailee a lesson, Wyatt has no idea how far he's going to go to let her have her revenge. And he has no idea he's about to become what - and who - he hates most. Illustrated. For adults only, but not graphic.

New and updated edition of the bestselling guide to Pennsylvania's 73 breweries and brewpubs.

Your service team may represent the first, last, or only interaction point between your customers and your company. Your front-line service professionals make or break countless opportunities, leads, sales, and relationships every day. Completely revised and updated to meet the challenges of a new service landscape, the second edition of Customer Service Training 101 presents proven techniques for creating unforgettable customer experiences. The book covers every aspect of face-to-face, phone, Internet, and self-service customer relations, and provides simple yet powerful tips for: \* Projecting a positive attitude and making a great first impression \* Communicating effectively, both verbally and nonverbally \* Developing trust, establishing rapport, and making customers feel valued \* Confidently handling difficult customers and situations New features include "How Do I Measure Up?" self-assessments, and "Doing It Right" examples from the author's extensive customer service experience. Every step-by-step lesson in this comprehensive and inspiring training manual is augmented with instructive sidebars, a summary of key points, practice exercises, and so much more.

"The stark contrasts between romance novels and pornography - both multi-billion-dollar global industries - underscore how different female and male erotic fantasies are. These differences reflect human evolutionary history and the disparate selection pressures women and men experienced, say the authors of this thought-provoking book. Catherine Salmon and Donald Symons provide a concise review of the fundamental importance of evolutionary history to human psychology, discuss how male and female sexual psychologies differ, and then demonstrate how sex differences in erotica illustrate this." "The authors focus particular attention on a new erotic subgenre - slash fiction - written mostly by and for women. Slash depicts romantic and sexual relationships between heterosexual male characters in television and film, such as Starsky and Hutch (S/H) and Captain Kirk and Mr. Spock (K/S), and is so named for the punctuation mark indicating the pair. Salmon and Symons argue that slash fiction has much in common with the romance genre and that the heroes of both genres are "warrior lovers" who embody the qualities our female ancestors valued in a mate. But while romance novel readers fantasize about being "Mrs. Warrior," slash fans prefer the fantasy of being "co-warrior." The authors consider why this might be so and examine the essential ingredients of female sexual fantasy. Their conclusions are both fascinating and original."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. All Rights Reserved

This myth-busting book shows how "forgotten" middle children can-and do-rule the world. In this counterintuitive book, psychologist Catherine Salmon and journalist Katrin Schumann combine science, history, and real-life stories to reveal for the first time that our perception of middle children is dead wrong. Using unpublished and little-known research from evolutionary psychology, sociology, and communications, The Secret Power of Middle Children illustrates how adaptive strategies middleborns develop during childhood translate into stronger friendships, lasting marriages, successful careers, and effective parenting. Over seventy million adult Americans are middle children, and forty percent of young American families have middle children. With constructive advice on how to maximize the benefits and avoid the pitfalls of being a middle child, Salmon and Schumann help middle children at any age (and their parents) use birth order as a strategy for success.

A new chapter book series from Major League Baseball's 2006 National League MVP, Ryan Howard! Little Rhino is so excited for his team, The Mustangs, to play their first baseball game. They've been having some good practices. The team is starting to come together. Grandpa James even bought Little Rhino a new bat to use. In the last practice, Little Rhino's bat goes missing. He's convinced that Dylan, the bully on his team, is the one who took it. But Little Rhino learns quickly that he can't blame someone without any proof. Will Little Rhino find out who took his bat before the first game? From Major League Baseball superstar Ryan Howard and his wife, Krystle Howard, a former elementary school teacher, this exciting new series is a fun read for sports and book fans alike!

"A new chapter book series from Major League Baseball's 2006 National League MVP, Ryan Howard! The Mustangs were on a hot winning streak and every victory was important. Little Rhino's whole team was cheering for him. Even Dylan was standing on the bench rooting for Little Rhino, the home run hitter. It all came down to the next pitch. When the pitcher threw the ball, Little Rhino swung as hard as his arms could handle, felt a pop in his ankle, and dropped to the ground. That was yesterday. Today, Little Rhino is propped up on the couch with a sprained ankle. The doctor said Little Rhino is not going to be able to play baseball for the next two weeks. Rhino's friends keep dropping by to bring him his homework but Rhino just wants to be back on the field. Can he find a way to help his team without

playing?"

Explains how people can feel angry, distrustful, and frustrated when they are disappointed, how to respond to disappointing people and situations, and how to feel better.
