How to Speak Geek: Demystifying tech trends, with smart advice on not only what high-tech gadgets to buy but how to shop for them. Everything You Need to Know About Buying, Selling and Financing a Car: How to get the best and safest vehicle at the best price. Real Estate: Will the bubble burst? Here's how to be an informed buyer and seller along with the basics of remodeling and designing your home. How to Be an Informed Patient: Choosing a hospital, playing private investigator with your M.D., and learning about the tests you really ought to have (even if you have to pay for them yourself). Getting Real Bang for Your Education Bucks: What you need to know from preschool through college and graduate school. The Great Balancing Act: Managing work and family, and finding out how to avoid the overstretched child and parent syndromes. Financing Your Life: It was easy in the 1990s, but the world has changed dramatically. Here's how to deal with the new world of saving, investing and borrowing money. Shopping: The New Sex? Throw away your Kama Sutra. The number one thrill in shopping is getting a good deal\u2014here's how to play the game and get the best stuff at the best price. The Wall Street Journal Guide to the Business of Life is both an instruction manual for living life to the fullest and a fun read about what really matters in the day-to-day. It has all the basic insight and information you need to navigate through life along with hilarious side trips such as \u201cThe Three-Decorator Experience\u201c and \u201cCruises: Sailing New Waters.\u201c

Are you an associate producer who needs to juggle projects and vendors while keeping on top of the latest trends and formats? Or an independent filmmaker who can't afford a misstep in the crucial postproduction phase? Take a step back and get a clear overview of the process. This guide will show you how to navigate each step in taking a TV or film project from production to final delivery. Start by getting a handle on the critical issues of budgets and schedules. From there, you'll learn the smoothest way to manage dailies, sound, editing, and completion. Detailed instructions and checklists for film, video, and High Definition procedures will teach you new ways of doing things and help you avoid costly errors. The second edition is fully updated and information-packed. There is extensive new material on high definition as it affects dailies, editing, and delivery. The chapter on the film laboratory has been expanded further to include discussions on troubleshooting film damage and YCMs, which are so important in maintaining film assets. The latest information on film restoration, digital technologies, acquisitions, and a chapter on what's on the horizon round out the update.

Create your maximum PC with the Maximum PC Ultimate Performance Guide. This 350 page guide is full of succinct, practical advice that you can use to build, supercharge and customize your PC. You will learn your PC from the outside-in, including how to choose the best case and hardware, how to tweak your PC settings to maximize performance and how to customize and exploit the features of your Windows operating system. This book truly is your ultimate guide to everything you need to know about your PC and it is the only one endorsed by the top name in PC hardware technology, Maximum PC.

Games systems used to be simple--plug into TV, put in game cartirage, power on...and occasionally spend several minutes plugging dust out and putting it in at just the right angle! Today game systems are more than game systems--they are multi-media powerhouses. In the case of PS3, it is a full on computer. This guide will help you get the most out of your PS3 and everything that's built into it--from adjusting parental settings to changing the way it looks. GameCaps Walkthroughs was started as a way of bringing cheap, reliable, and informative game walkthroughs and system profiles. Our library is growing more every month.

(Berklee Methods). With the explosion of project studio gear available, it's easier than ever to create pro-quality music at home.
