Documents the journey of a Honduran teen who braved hardship and peril to reunite with his mother after she was forced to leave him behind and seek migratory work in the United States.

Documents the journey of a Honduran teen who braved hardship and peril to reunite with his mother after she was forced to leave him behind and seek migratory work in the United States.

An astonishing story that puts a human face on the ongoing debate about immigration reform in the United States, now updated with a new Epilogue and Afterword, photos of Enrique and his family, an author interview, and more—the definitive edition of a classic of contemporary America Based on the Los Angeles Times newspaper series that won two Pulitzer Prizes, one for feature writing and another for feature photography, this page-turner about the power of family is a popular text in classrooms and a touchstone for communities across the country to engage in meaningful discussions about this essential American subject. Enrique's Journey recounts the unforgettable quest of a Honduran boy looking for his mother, eleven years after she is forced to leave her starving family to find work in the United States. Braving unimaginable peril, often clinging to the sides and tops of freight trains, Enrique travels through hostile worlds full of thugs, bandits, and corrupt cops. But he pushes forward, relying on his wit, courage, hope, and the kindness of strangers. As Isabel Allende writes: "This is a twenty-first-century Odyssey. If you are going to read only one nonfiction book this year, it has to be this one." Praise for Enrique's Journey "Magnificent . . . Enrique's Journey is about love. It's about family. It's about home."—The Washington Post Book World "[A] searing report from the immigration frontlines . . . as harrowing as it is heartbreaking."—People (four stars) "Stunning . . . As an adventure narrative alone, Enrique's Journey is a worthy read. . . . Nazario's impressive piece of reporting [turns] the current immigration controversy from a political story into a personal one."—Entertainment Weekly "Gripping and harrowing . . . a story begging to be told."—The Christian Science Monitor "[A] prodigious feat of reporting . . . [Sonia Nazario is] amazingly thorough and intrepid."—Newsday

In this bestselling true story, one Honduran boy goes in search of his mother, who left to find work in the United States ten years ago—when he was just seven years old. This is the true and heartbreaking story of sixteen-year-old Enrique, who sets off on a journey alone to find his mother, who he has not seen for eleven years, not since she left her starving family and illegally entered the United States, hoping to make enough money to send home to Honduras. With little more in his pocket than a slip of paper bearing his mother's phone number, Enrique embarks on a treacherous odyssey, traveling by clinging to the sides and tops of freight trains. Even when confronted by bandits, thugs, and corrupt cops, he is determined to complete his journey, often buoyed by the kindness of strangers or simply by luck finding water or food. In the face of this hostile world, Enrique's love for his mother and his desire to be reunited with her endure and triumph. Enrique's journey tells the larger story of undocumented Latin American migrants in the United States. His is an inspiring and timeless tale about the meaning of family and fortitude that brings to light the daily struggles of migrants, legal and otherwise, and the complicated choices they face. The issues seamlessly interwoven into this gripping nonfiction work for young people, based on the adult phenomenon Enrique's Journey: The Story of a Boy's Dangerous Odyssey to Reunite with His Mother and the Pulitzer Price-winning Los Angeles Times newspaper series that inspired it, are perfect for common core usage and for discussions of current events. Includes an 8-page photo insert, as well as an epilogue that describes what has happened to Enrique and his family since the adult edition was published. Praise for Enrique's Journey "A heartwrenching account. Provides a human face, both beautiful and scarred, for the undocumented. A must read." —Kirkus Reviews, Starred "This powerfully written survival story personalizes the complicated, pervasive, and heart-wrenching debates about immigration and immigrants' rights and will certainly spark discussion in the classroom and at home."—Booklist

Adapted for young people, this edition of "Enrique s Journey" is written by Sonia Nazario and based on the adult book of the same name. It is the true story of Enrique, a teenager from Honduras, who sets out on a journey, braving hardship and peril, to find his mother, who had no choice but to leave him when he was a child and go to the United States in search of work. Enrique s story will bring to light the daily struggles of migrants, legal and otherwise, and the complicated choices they face simply trying to survive and provide for the basic needs of their families. The issues seamlessly interwoven into this gripping nonfiction work for young people are perfect for common core discussion." Includes an 8-page photo insert, as well as an epilogue that describes what has happened to Enrique and his family since the adult edition was published." A heartwrenching account. Provides a human face, both beautiful and scarred, for the undocumented. A must read."—"Kirkus Reviews," Starred "Nazario's straightforward . . . journalistic writing style largely serves the complex, sprawling story effectively. A valuable addition to young adult collections." "School Library Journal " "This powerfully written survival story personalizes the complicated, pervasive, and heart-wrenching debates about immigration and immigrants' rights and will certainly spark discussion in the classroom and at home." "Booklist "An NCSS-CBC Notable Social Studies Trade Book for Young People A "Kirkus Reviews" Best Teen Book of the Year A Junior Library Guild Selection"

Sixteen-year-old Enrique embarks on a journey to find his mother, who eleven years earlier had illegally entered the United States hoping to find work and make enough money to send home to her starving family in Honduras.

ONE OF THE BEST BOOKS OF THE YEAR, The Economist and The Financial Times "Harrowing" true stories from two years of immersion reporting on the migrant trail from Chiapas to Arizona—an "honorable successor to enduring works like George Orwell's The Road to Wigan Pier" (New York Times) One day a few years ago, 300 migrants were kidnapped between the remote desert towns of Altar, Mexico, and Sasabe, Arizona. A local priest got 120 released, many with broken ankles and other marks of abuse, but the rest vanished. Óscar Martínez, a young writer from El Salvador, was in Altar soon after the abduction, and his account of the migrant disappearances is only one of the harrowing stories he garnered from two years spent traveling up and down the migrant trail from Central America and across the US border. More than a quarter of a million Central Americans make this increasingly dangerous journey each year, and each year as many as 20,000 of them are kidnapped. Martínez writes in powerful, unforgettable prose about clinging to the tops of freight trains; finding respite, work and hardship in shelters and brothels; and riding shotgun with the border patrol. Illustrated with stunning full-color photographs, The Beast is the first book to shed light on the harsh new reality of the migrant trail in the age of the narcotraficantes.

A sweeping history of the Latino experience in the United States- thoroughly revised and updated. The first new edition in ten years of this important study of Latinos in U.S. history, Harvest of Empire spans five centuries-from the first New World colonies to the first decade of the new millennium. Latinos are now the largest minority group in the United States, and their impact on American popular culture-from food to entertainment to literature-is greater than ever. Featuring family portraits of real- life immigrant Latino pioneers, as well as accounts of the events and conditions that compelled them to leave their homelands, Harvest of Empire is required reading for anyone wishing to understand the history and legacy of this increasingly influential group.

Be the first to read the thought-provoking new novel from Melissa de la Cruz, the #1 New York Times bestselling author of The Isle of the Lost and Return to the Isle of the Lost. She had her whole life planned. She knew who she was and where she was going. Until the truth changed everything. Jasmine de los Santos has always done what's expected of her. She's studied hard, made her Filipino immigrant parents proud and is ready to reap the rewards in the form of a full college scholarship to the school of her dreams. And then everything shatters. Her parents are forced to reveal the truth: their visas expired years ago. Her entire family is illegal. That means no scholarships, maybe no college at all and the very real threat of deportation. As she's trying to make sense of who she is in this new reality, her world is turned upside down again by Royce Blakely. He's funny, caring and spontaneous—basically everything she's been looking for at the worst possible time—and now he's something else she may lose. Jasmine will stop at nothing to protect her relationships, family and future, all while figuring out what it means to be an immigrant in today's society. ***** "A great read!" —Rachel Cohn, New York Times bestselling coauthor of Nick & Norah's Infinite Playlist "We're obsessed—and you will be, too." —The Editors of Seventeen magazine "Heartbreaking and bursting with hope, this is the book we all need." —Marie Lu, #1 New York Times bestselling author of the Young Elites and Legend series "This book will change you. A must-read." —Dhonielle Clayton, coauthor of Tiny Pretty Things and Shiny Broken Pieces, and the forthcoming The Belles "A must-read!" —Ally Condie, author of the #1 New York Times bestselling Matched trilogy "An immigrant herself, de la Cruz succeeds in presenting a complicated and multifaceted topic in a manner that is light enough to keep readers engaged."—Kirkus Reviews "[A] great choice for younger teens...This book belongs in every middle school library." —School Library Journal "De la Cruz presents a timely and thought-provoking look at the complex reality of being young and undocumented in the United States...Readers will root for Jasmine as she fights for her future and finds the power of her own voice."—Publishers Weekly

In this inspirational and unflinchingly honest memoir, acclaimed author Reyna Grande describes her childhood torn between the United States and Mexico, and shines a light on the experiences, fears, and hopes of those who choose to make the harrowing journey across the border. Reyna Grande vividly brings to life her tumultuous early years in this "compelling...unvarnished, resonant" (BookPage) story of a childhood spent torn between two parents and two countries. As her parents make the dangerous trek across the Mexican border to "El Otro Lado" (The Other Side) in pursuit of the American dream, Reyna and her siblings are forced into the already overburdened household of their stern grandmother. When their mother at last returns, Reyna prepares for her own journey to "El Otro Lado" to live with the man who has haunted her imagination for years, her long-absent father. Funny, heartbreaking, and lyrical, The Distance Between Us poignantly captures the confusion and contradictions of childhood, reminding us that the joys and sorrows we experience are imprinted on the heart forever, calling out to us of those places we first called home. Also available in Spanish as La distancia entre nosotros.
