The Black Swan, Fooled By Randomness, and Antifragile are must reads for anyone exposed to the randomness embedded in our experience of the world. I would recommend reading Sancho Panza (Proverbs) over The Bed of Procrustes - but the point of the actual story of the bed of Procrustes makes an excellent beginning to the series Incerto.

Taleb has referred to the structure of this set being fractal in nature; thus the reader can pick and choose which books to read in any order he likes. It will work as a cohesive whole in any order, and I think this is the meaning behind his choice of calling this an "Incerto." My only gripe with this beautiful box set is actually the box itself.
