Johnson's " Life of London " is a cute book touching on a few less well known characters who have contributed their talents to the concept of "London" His Worship, Mayor of Greater London, is in an interesting position to express the wide-eyed fascination of the immigrant tourist in the amazing story of this squalid city.

Johnson's Life of London: The People Who Made the City ...

Synopsis. London is special. For centuries, it has been amongst the greatest cities of the world. But a city is nothing without its people. This sparkling new history of London, told through a relay-race of great Londoners shows in one, personality-packed book that the ingenuity, diversity, creativity and enterprise of London are second to none. Boris Johnson believes that in order to understand London one has to know about its past.
