The Small Business Website Design Guide is specifically for the non-technical small business owner.* Are you thinking of redesigning your web site, but you're not sure who to turn to? Have you heard stories about other businesses whose web designer just up and disappeared? Do you wonder why your website isn't getting any "hits"? Does the whole internet marketing craze make you wonder what you're missing?Until you know the basics of how good web design and internet marketing work, you aren't equipped to make the best e-marketing decisions for your company.This book will help! It answers all your questions and guides you down the right path of redesigning your website and promoting it properly.

My passion for watching educational YouTube videos led me to create a YouTube channel named Frentran. Amidst my hectic academic schedule at school, I started uploading videos, and I have 60 videos to my credit. On suggestion from my uncle Dr. Gibson to turn the videos into a book, I started in January 2019 to write A Preteen Speaks on Science and Technology. This book covers a wide range of important branches of science, such as astronomy, aeronautics, atomic science, thermodynamics, modern physics and computer science. The 45 topics in the book will help you to understand various scientific concepts and technological advancements. This book will make complicated topics such as higher dimensions and antimatter easy to understand. It will give you a glimpse into the wonderful world of science and technology and inspire you to learn more about it,and the pictures in the book will give you a better understanding of the topics. The book will teach you the basics of computer science and artificial intelligence which are topics that are becoming increasingly important.

Reel in the Profits with YouTube YouTube delivers more than a billion minutes of streaming content to 1.3 billion active users every day. That's equivalent to one-third of all internet users and at least a billion reasons to start creating videos that promote your business, brand, products, and services today. Entrepreneur Magazine's Ultimate Guide to YouTube for Business is the video marketing blueprint you need to create videos that educate, entertain, and inspire viewers to take action. You'll learn how to plan, edit, promote, and share your videos with the public, as well as how to leverage YouTube's tools to help spotlight your business and your products without spending a fortune. From video production to promotion, this guide shares the battle-tested strategies and tried-and-true advice from successful YouTube experts to help you: Set up your channel and become a YouTube Partner to start monetizing your videos Create a virtual community that uses and loves your products Cater your videos to your target audience at every stage:pre-production, production, post-production, and promotion Drive traffic to your channel, website, or social media with optimized video titles, tags, playlists, and more Promote your YouTube videos using Facebook, Twitter, Google+, and other social sites Make a video go viral with the help of blogs, websites, and other online resources Find out what a YouTube channel can do for you as you learn to create your channel, leverage it as a marketing tool, and maximize your return on investment.

PCMag.com is a leading authority on technology, delivering Labs-based, independent reviews of the latest products and services. Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology.

Become a LinkedIn power user and harness the potential of social selling With the impact of COVID, remote working has become big, and so has the use of digital/virtual sales tools. More sales teams want and need to understand how to use social media platforms like LinkedIn to sell, and most do not use it properly. The Ultimate LinkedIn Sales Guide is the go-to book and guide for utilizing LinkedIn to sell. It covers all aspects of social and digital selling, including building the ultimate LinkedIn profile, using the searching functions to find customers, sending effective LinkedIn messages (written, audio & video), creating great content that generates sales, and all the latest tips and tricks, strategies and tools. With the right LinkedIn knowledge, you can attract customers and generate leads, improving your sales numbers from the comfort and safety of your computer. No matter what you are selling, LinkedIn can connect you to buyers. If you're savvy, you can stay in touch with clients and generate more repeat sales, build trust, and create engaging content that will spread by word-of-mouth:the most powerful sales strategy around. This book will teach you how to do all that and more. In The Ultimate LinkedIn Sales Guide you will learn how to: Use the proven 4 Pillars of Social Selling Success to improve your existing LinkedIn activities or get started on a firm footing Create the Ultimate LinkedIn Profile, complete with a strong personal brand that could catapult you to industry leader status Generate leads using LinkedIn, then build and manage relationships with connected accounts to turn those leads into customers Utilize little-known LinkedIn "power tools" to grow your network, send effective messages, and write successful LinkedIn articles And so much more! The Ultimate LinkedIn Sales Guide is a must read for anyone wishing to utilize LinkedIn to improve sales.

Create Focused Social Media Campaigns Tailored to Your Business Ultimate Guide to Social Media Marketing takes readers through a 360-degree perspective of social media marketing in businesses, from strategy to tactics, from organic to paid, from B2B to B2C, encompassing all of the current networks. Topics include: Why businesses need to embrace social media marketing Understanding today's social networks from big ones like Facebook and YouTube to emerging platforms Learning how to craft your business's social media strategy using today's formats How to leverage images and video in your social media outreach Leveraging chat bots, paid social media, and influencer marketing Building your business social marketing team Measure your social media outreach progress and improve your performance over time

Want to make a splash on YouTube? Even go viral? You've come to the right place. This book is written by two veteran 'Tubers who live their art and know what they're talking about -- especially Alan Lastufka, a.k.a. "fallofautumnministro," who has over 13,000 YouTube subscribers and over 4 million views. Alan and co-author Michael W. Dean show you how to make a quality video, and how to optimize, encode, upload, and promote it. This book can't promise you'll be rich and famous, but it can tell you how to make great video art, and what you need to do to get your work seen. You'll learn about: Storytelling and directing Shooting, editing, and rendering Creating your very own channel Broadcasting user-generated content Re-broadcasting commercial content Cultivating a devoted audience Fitting into the YouTube community Becoming a success story Join Alan, who makes part of his living from YouTube, and Michael, a successful filmmaker, author, and D.I.Y. art pioneer. They'll take you from the basics of gear to making it big on YouTube, with a focus on networking and interaction. You'll also sit in on informative interviews with YouTube stars LisaNova, Hank Green (vlogbrothers), WhatTheBuckShow, nalts, and liamkylesullivan. Alan and Michael understand viral marketing -- and they know what it takes to get your work on everyone's YouTube radar. And, once you read this book, so will you.

Anyone who needs information about computer systems for small or home businesses will find The Small Business Computer Guide to be an invaluable, thorough review of all aspects of computer systems and technology suited to small businesses. In clear, easy-to-understand language, The Small Business Computer Guide explains hardware components, software, and telecommunications, with an emphasis on productivity, efficiency, and how systems and components can be configured to best serve an individual business' needs. Consideration is given to budgetary restraints, and Joseph S Beckman offers numerous tips and suggestions on how to put together the right system. Joseph S Beckman is a lawyer in private practice and has spent many years using coputers in his legal work. He lives in Plantation, Florida.

Readers master the latest information for working on Windows, Mac OS, and UNIX/Linux platforms with GUIDE TO OPERATING SYSTEMS, 5E. Learners examine operating system theory, installation, upgrading, configuring operating system and hardware, file systems, virtualization, security, hardware options, storage, resource sharing, network connectivity, maintenance, and troubleshooting. Easily understood and highly practical, GUIDE TO OPERATING SYSTEMS, 5E is the resource today's readers need to deepen their understanding of different operating systems. This edition helps readers understand the fundamental concepts of computer operating systems. The book specifically addresses Windows 10 and earlier Windows client OSs, Windows Server 2012 R2 and earlier Windows server OSs with a preview of Windows Server 2016,

Fedora Linux, and Mac OS X El Capitan and earlier. In addition, general information introduces many other operating systems. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
