Building Citizenship: Civics & Economics engages students in principles that serve as the foundation of our government and economy while emphasizing real-life citizenship and personal financial literacy. This practical, interactive Civics and Economics curriculum includes a strong emphasis on critical thinking, project-based learning, document-based analysis and questions, and the development of close reading skills. Connect to core civics and economics content with an accessible, student-friendly text aligned to the Understanding by Design® instructional approach

Reinforce critical concepts from the text and help students improve their reading-for-information skills with this essential resource, written 2-3 grade levels below the Student Edition

Entries offer profiles of United States presidents, vice presidents, Supreme Court justices, and other significant figures, and information on elections, legislation, Supreme Court decisions, and major issues.

The Florida Civics Benchmark Workbook is designed to help seventh grade civics students prepare for their End of Course (EOC) exam. This workbook's practice questions are each connected to a benchmark standard that is essential to passing the course. This book contains answer keys for each of the practice tests in this workbook.
