Everywhere

Pigeons are everywhere because of their close relationship with mankind. Whether or not you are pigeon fancier, you can't fail to notice that pigeons are always around. The connection between us and pigeons goes through history, this relationship started back in ancient times.

This was when pigeons were rock doves,
the ancestors of today ' s feral pigeon.

Why are Pigeons Everywhere? –
Pigeonpedia

On a global scale pigeons live all over the
world. With over 300 species of pigeons,
you will find them scattered around the

Where To Download Pigeons Everywhere

whole planet. The only exceptions are places of extreme heat or cold. For example you won ' t find them within the Arctic Circle or on the continent of Antarctica. Although they are hardy birds and do live in cold climes, they don ' t inhabit areas of extreme cold.
