Quantum Healing is something of a catch-all name for spiritual healing. And It's become a commonly used term for modalities that can loosely be defined as energy work. Although quantum healing is largely based on your intentionality, it's not a faith-based form of healing. You don't need to be spiritual to get results.

What is Quantum Healing (And Why is it So Powerful?)

Quantum healing is a pseudo-scientific mixture of ideas which purportedly draw on quantum mechanics, psychology, philosophy, and neurophysiology. Advocates of quantum healing assert that quantum phenomena govern health and wellbeing. There are a number of different versions, which allude to various quantum ideas including wave particle duality and virtual particles, and more generally to ...
