Setchra.com We have all been traumatized, our old shells broke, and we have emerged from the collective guidance of the single mind of our true form. Angels, you know. You live it. You are guided just like me, only in a different story of relation to experience. I relate. We are living as Angels incarnate. From stories of God, to the fables of ancient Gods, and the Super Hero alike. All truth, creations of whom we Angels are. Living and clothed with human. Angels, realize the power you have possession of and unite as the single body that we are each apart of. No matter the connection, may our deeds coincide with the greater vision of the greater purpose. The single complex and integral individual of the multitude of one whole, we each are. After all the Angels unite in the purpose of universal love, our concentrated energy will change the atmosphere we each mentally and emotionally breathe. Take up the sword of Love and Love shall terraform the planet known as Human.
