about small moments writing? Although, I thought my kids were heading in the right direction with their pieces, I just felt like their stories were missing something... They were missing depth, heart, and voice.

Small moments  
writing for big impact

# Read PDF Small Moment Writing with narratives

Small moment stories are when an author takes a true story from his/her life and instead of telling the whole story, s/he tells a small part of the story and stretches it across pages. It is important to teach writers to hold these moments in their heads as they stretch
