What can you learn from Spider-man? What do you have in common with the most famous comic book super hero in history? You might just be surprised! From his transformation into a new creation to his struggles with forgiving those who have hurt him, Spider-Man's story offers a startling parallel to the miraculous and everyday experiences of those who follow Jesus. Inspired by the stories and characters in three of the biggest box-office smashes of all time, The Soul of Spider-Man zooms in beyond the special-effects and big stars to examine the unexpected spiritual lessons spun into the background of the Spider-Man films. Readers will heed the warning against greed when they rewind the tragedy of the Green Goblin in the first Spider-Man, and will understand the importance of humility as they take a second look at the damage caused by Peter Parker's inflated ego in Spider-Man 3. This fast-moving, entertaining take on the spirituality of Spider-Man includes a group discussion guide for film clubs, youth groups, or young adult small groups.

"Martha, Martha, you are anxious and troubled about many things." -- Luke 10:41 Tami Kiser understands the demands of motherhood. She's a busy mom of nine who juggles teaching at her children's parish school, volunteering at her parish, running a household, and many other responsibilities. Her "Smart Martha" seminars have helped thousands of women balance their priorities so that they still have ample time for Jesus throughout the day. Become more spiritually focused, more holistically fulfilled, and more mentally prepared than ever before. Discover practical tips that will help save time and your sanity. Learn how to: Approach every "Martha" task with a "Mary" attitude. De-clutter your children's toys for faster cleanup and more meaningful play. Manage technology to enhance your family's spiritual health. Create mealtimes that nourish both body and soul. Tackle household chores as a family. Foster spiritual beauty in your children. And much more! Your maternal instinct -- as well as constant demands from family members -- may call for a "Martha" mom, but trust in the Lord that they need a "Mary" mom, too. "As a big fan of Tami Kiser's 'Smart Martha' tips and techniques for years, I'm thrilled to find all of her words of wisdom compiled into book format. With Smart Martha's Catholic Guide for Busy Moms, Tami gives moms practical solutions for managing their homes -- but more importantly, for nurturing their souls and familial relationships. From prioritizing family dinners to organizing your home and schedule, Tami gives

moms the tools they need to help themselves and their families live happier, holier lives." -- Lisa M. Hendey, author of *The Handbook for Catholic Moms*

"Everyone gets mad at hustlers, especially if you're on the victim side of the hustle. And Miles knew hustling was in his veins." Miles Morales is just your average teenager. Dinner every Sunday with his parents, chilling out playing old-school video games with his best friend, Ganke, crushing on brainy, beautiful poet Alicia. He's even got a scholarship spot at the prestigious Brooklyn Visions Academy. Oh yeah, and he's Spider Man. But lately, Miles's spidey-sense has been on the fritz. When a misunderstanding leads to his suspension from school, Miles begins to question his abilities. After all, his dad and uncle were Brooklyn jack-boys with criminal records. Maybe kids like Miles aren't meant to be superheroes. Maybe Miles should take his dad's advice and focus on saving himself. As Miles tries to get his school life back on track, he can't shake the vivid nightmares that continue to haunt him. Nor can he avoid the relentless buzz of his spidey-sense every day in history class, amidst his teacher's lectures on the historical "benefits" of slavery and the importance of the modern-day prison system. But after his scholarship is threatened, Miles uncovers a chilling plot, one that puts his friends, his neighborhood, and himself at risk. It's time for Miles to suit up.
