Craig Spector which became a New York Times bestseller and is often credited as the book that started the splatterpunk movement.

~~The Light at the End - Wikipedia~~

"The Light at the End" is vampire horror at it's best. This novel is slick and sophisticated, written for an audience that is no longer satisfied with being spoon fed the same old plot. Fortunately, this novel has been re-released only recently in hardcover by a new press Stealth Press. (www.stealthpress.com). Finally this classic is again in print.
