~~The Portrait Photography Course:~~

~~Principles, practice, and ...~~

Portraiture is considered one of the most versatile and ever-changing practices of photography. A portrait is an image that not only captures the essence of your subject,

Acces PDF The Portrait Photography Course

but should display and project a feeling, emotion and understanding of your vision to your audience. The best way to grow as a portrait photographer is to continually shoot, experiment with different styles and understand the basics of what makes an image visually appealing.
