Adventures of Huckleberry Finn (often shortened to Huck Finn) is a novel written by American humorist Mark Twain. It is commonly used and accounted as one of the first Great American Novels. It is also one of the first major American novels written using Local Color Regionalism, or vernacular, told in the first person by the eponymous Huckleberry "Huck" Finn, best friend of Tom Sawyer and hero of three other Mark Twain books. The book is noted for its colorful description of people and places along the Mississippi River. By satirizing Southern antebellum society that was already a quarter-century in the past by the time of publication, the book is an often scathing look at entrenched attitudes, particularly racism. The drifting journey of Huck and his friend Jim, a runaway slave, down the Mississippi River on their raft may be one of the most enduring images of escape and freedom in all of American literature.

The Innocents Abroad and Roughing It (sometimes called The Innocents at Home) were immensely successful when first published and they remain today the most popular travel books ever written. The Innocents Abroad (1869), based largely on letters written for New York and San Francisco papers, narrates the progress of the first American organized tour of Europe—to Naples, Smyrna, Constantinople, and Palestine. In his account Mark Twain assumes two alternate roles: at times the no-nonsense American who refuses to automatically venerate the famous sights of the Old World (preferring Lake Tahoe to Lake Como), or at times the put-upon simpleton, a gullible victim of flatterers and “frauds,” and an awestruck admirer of Russian royalty. The result is a hilarious blend of vaudevillian comedy, actual travel guide, and stinging satire, directed at both the complacency of his fellow American travelers and their reverence for European relics. Out of the book emerges the first full-dress portrait of Mark Twain himself, the breezy, shrewd, and comical manipulator of English idioms and America’s mythologies about itself and its relation to the past. Roughing It (1872) is the lighthearted account of Mark Twain’s actual and imagined adventures when he escaped the Civil War and joined his brother, the recently appointed Secretary of the Nevada Territory. His accounts of stagecoach travel, Native Americans, frontier society, the Mormons, the Chinese, and the codes, dress, food, and customs of the West are interspersed with his own experiences as a prospector, miner, journalist, boon companion, and lecturer as he traveled through Nevada, Utah, California, and even to the Hawaiian Islands. Mark Twain’s passage from tenderfoot to old-timer is accomplished through a long series of increasingly comical episodes. The plot is relaxed enough to accommodate some immensely funny and random character sketches, animal fables, tall tales, and dramatic monologues. The result is an enduring picture of the old Western frontier in all its original vigor and variety. In these two works, never before brought together so compactly, Mark Twain achieves his mastery of the vernacular style. The family consisted of four persons: Margaret Lester, widow, aged thirty six; Helen Lester, her daughter, aged sixteen; Mrs. Lester's maiden aunts, Hannah and Hester Gray, twins, aged sixty-seven. Waking and sleeping, the three women spent their days and night in adoring the young girl; in watching the movements of her sweet spirit in the mirror of her face; in refreshing their souls with the vision of her bloom and beauty; in listening to the music of her voice; in gratefully recognizing how rich and fair for them was the world with this presence in it; in shuddering to think how desolate it would be with this light gone out of it. By nature—and inside—the aged aunts were utterly dear and lovable and good, but in the matter of morals and conduct their training had been so uncompromisingly strict that it had made them exteriorly austere, not to say stern. Their influence was effective in the house; so effective that the mother and the daughter conformed to its moral and religious requirements cheerfully, contentedly, happily, unquestionably. To do this was become second nature to them. And so in this peaceful heaven there were no clashings, no irritations, no fault-finding, no heart-burnings. In it a lie had no place. In it a lie was unthinkable. In it speech was restricted to absolute truth, iron-bound truth, implacable and uncompromising truth, let the resulting consequences be what they might. At last, one day, under stress of circumstances, the darling of the house sullied her lips with a lie—and confessed it, with tears and self-upbraidings. There are not any words that can paint the consternation of the aunts. It was as if the sky had crumpled up and collapsed and the earth had tumbled to ruin with a crash. They sat side by side, white and stern, gazing speechless upon the culprit, who was on her knees before them with her face buried first in one lap and then the other, moaning and sobbing, and appealing for sympathy and forgiveness and getting no response, humbly kissing the hand of the one, then of the other, only to see it withdrawn as suffering defilement by those soiled lips.
