Whole House Repair Guide | Shop Reader's Digest

A low-end whole house remodel starts at around \$16,000-48,000, depending on the size of the house. This usually involves cosmetic updates and minor repairs, inexpensive lighting and floor replacement, as well as light landscaping. A mid-range home renovation costs anywhere from \$48,000 – 75,000. This type of remodel can include a full bathroom and kitchen remodel, some exterior updates, such as new siding, together with using higher-end building and finishing materials.

Every item that requires a water hookup is considered a fixture. This is a rough pricing guide only, and your pricing will depend on many factors. Rerouting Plumbing Prices. Rerouting a single plumbing line will cost about \$700 while repiping a whole house will cost between \$3,900 and \$7,500. If you must move plumbing fixtures such as sinks, toilets, bathtubs, or showers, it ' s worth designing a plan that makes the best use of existing pipework rather than digging into the slab.
